A lifetime of Lifetime Learning

Lifetime Learning was founded in 1978 by a group of intellectually curious senior citizens. Beginning with meetings in private homes, it quickly outgrew those venues and went on to run at several local institutions. The first of those was Temple Shalom, to where it returns this Spring.

Thanks

Lifetime Learning would not exist without our speakers and teachers, many of whom have volunteered their time. We also wish to thank Temple Shalom for providing rental space for our program.
